

# Terms and Conditions

## Outdoor Hire

- 1 All other terms and conditions apply when hiring for outdoor use. If outdoor hire cannot go ahead, the hirer should provide an indoor space.
- 2 Outdoor hire cost is £100, with a refundable £50 cash deposit due on the day of hire. This will not be returned if there is any damage or defects to the equipment caused during the duration of hire.
- 3 Outdoor hire will only go ahead if the weather forecast is dry as rain can make the equipment slippery and dangerous.
- 4 The hirer must provide a tarp for the ground and a gazebo-type shelter for the equipment to be housed under. The hire will not go ahead without these.
- 5 Sunny weather can make the equipment hot to touch, and wet weather can make it slippery. Both of these can be dangerous. It is the responsibility of the hirer to ensure the equipment is used safely during the hire.
- 6 Outside hire is available between April-August and these T&C's are subject to change at any time.
